Our 23rd annual South Central Division slide conference was a hit this year and was again held at San Luis Resort Conference Center on Galveston Island. We had 25 case reports using a virtual conference format, with digitally scanned slides and reports on CDs that were sent in advance. The meeting grew to 30 in attendance this year. In addition to a large group of residents and faculty from Texas A&M and pathologists from around Texas, we also had a contingent from LSU including residents and Drs. Fabio Del Piero and Ingeborg Langohr. Several 4th year veterinary students attended and presented excellent case reports as the tissue or cell they infect causes the clinical disease and lesions. Additionally, he presented a one-hour gross pathology mock exam during our lunch hour, with the answer sheet coming later by email.

As usual, our annual social hour and group dinner at Landry’s Seafood Restaurant was fabulous. Dr. Jim Britt is retiring, and hopes to continue to attend the meeting. Dr. Barbara Lewis will take over as Director of the South Central Division.

Dear Colleagues:

This is an invitation to present cases at the Histopathology Workshop on Friday, October 31, 2014, during the upcoming 8th Seminar of the Argentinian Division of the Charles Louis Davis Foundation to be held at the Faculty of Veterinary Science, National University of Central Buenos Aires Province, Tandil, Argentina.

We ask for interesting cases, with or without classical lesions, of known or unknown etiology. We will receive up to 16 presentations. The final date for submission of the cases will be June 1, 2014, or when we have received the 16 cases. Therefore, we recommend that if you plan to send a case, do it as soon as possible to reserve your place.

The blocks of the cases will processed at in the University of California, Davis. Approximately one month before the seminar, a set of histological sections of all cases submitted will be sent to each institution that have presented cases, so all participants can examine them before the workshop. The day of the seminar, each submittor will present his/her case in Power Point, having 5 minutes for that purpose, plus 3 minutes for questions and discussion.

If you are interested in submitting a case, please complete Abstract submission form below and send it by email to Karina Fresneda (kafres@yahoo.es). Once the abstract has been evaluated and accepted we will give you instructions for sending the block.

Submission form for the Histopathology Workshop at the 8th Seminar of the Argentinian Division of the Charles Louis Davis Foundation (no more than one page) shall include the following information: Submitter; Institution; Email; Accession Number; Species; Breed; Age; Sex Clinical History; Necropsy findings; Histological DescriptionMorphological diagnosis; Name of the condition ; Etiology (if known)

Please do not hesitate to contact Karina Fresneda (kafres@yahoo.es) or Francisco Uzal (fuzal@cahfs.ucdavis.edu) if you have any questions..

Sincerely

Karina Fresneda and Francisco A. Uzal
Histopathology Workshop Coordinators
